Annual Giving

Annual gifts benefit a variety of initiatives that enhance the educational experience of the students of Mannings School. Our fiscal year is in its second quarter and we have seen a decline in contributions. Our hope is that we will see the total amounts of gifts increase significantly in the next 2 quarters. Manning's 85, Inc. wishes to thank the following donors for their generous contributions during this period.

- **F** denotes donations from Friends.

Are we missing your name?

This Quarterly Report to Donors showcases those alumni and friends who have provided gifts to Manning's 85, Inc. during the first and second quarters of the fiscal year January 1, 2009 to June 30, 2009 and who, in doing so, demonstrated their commitment to making Mannings School a continued "*light of learning.*" If you have made a donation for the organization and your name does not appear in this report, or if your name is included at a giving level that does not seem correct, the following may explain why:

- Your donation was made outside of the quarters referenced above – after June 30, 2009.
- Your donation was actually in a higher amount than you recall making. Please take a look at the next giving level to see if your name appears there.
- Your name was inadvertently left off due to a clerical error. If this is the case, we regret the omission. Please email us so that we may review your gift information.

If you did not make a gift during the first or second quarter of 2009, and would like to see your name in the next quarterly report, please contact our Financial and Fundraising Office at:
