Are we missing your name?

This Quarterly Report to Donors showcases those alumni and friends who have provided gifts to Manning's 85, Inc. during the first quarter of the fiscal year January 1, 2009, to March 31, 2009, and who, in doing so, demonstrated their commitment to making Mannings High School a continued "*light of learning*." If you have made a donation for the organization and your name does not appear in this report, or if your name is included at a giving level that does not seem correct, the following may explain why:

- Your donation was made outside of the quarter referenced above – after March 31, 2009.
- Your donation was actually in a higher amount than you recall making. Please take a look at the next giving level to see if your name appears there.
- Your name was inadvertently left off due to a clerical error. If this is the case, we regret the omission. Please email us so that we may review your gift information.
